When you reach Ronda, at the large traffic junction with traffic lights take the A374 Sevilla road around Ronda.

Follow this for 7km and you will see a large white hotel on your right called the Don Benito.

Keep over to the right on the slip road. At the end of the hedge denoting their car park, turn right.

Follow this road for about 400 meters and you will see our car park entrance just on the bend with a rather large flag!
