

## HOTEL MOLINO DEL PUENTE

### *Weddings in rural Andalucia*

Forget the grey, wet, windy, unpredictable weather of the UK. Forget the glitzy over crowded and over priced Costa del Sol. Come and join us in our beautifully renovated olive oil mill just 5 minutes from the historic town of Ronda where we can promise you a very special wedding - from a classy, bespoke affair for up to 100 guests to an informal gathering for your closest family and friends. Set in beautiful natural riverside gardens we feel we can offer you something a little bit different.

Ronda, in the heart of rural Andalucia, southern Spain - is easily reached from the Costa del Sol to the south, Jerez and Cadiz to the West, Seville and Cordoba to the North and Granada and Murcia to the East. Excellent road, rail and air links from each.

Ronda is famous worldwide for its dramatic escarpments and views, and for the deep El Tajo gorge that carries the rio Guadalquivir through its centre. Visitors make a beeline for the 18th century Puente Nuevo 'new' bridge, which straddles the 100m chasm below, for its unparalleled views out over the Serranía de Ronda mountains. On one side of the bridge you can find the "new" town with excellent shopping opportunities and also the oldest bullring in Spain. Across the other side is the old town full of beautiful architecture and interesting Roman and Moorish sites.

## *Hotel Molino del Puente*

The riverside gardens make the most beautiful backdrop for your ceremony. You are surrounded by trees and shrubs and wildlife – it is truly magical.

The restaurant and terrace can comfortably seat 100 guests – we can cater for everything from a 5 course sumptuous meal with a different wine with each course down to a finger buffet or barbecue – we are open to any suggestions.

We can accommodate up to 22 guests in our 10 en-suite rooms but can also arrange for extra accommodation close by and supply transport to and from these other locations.

All our rooms have heating and ceiling fans. There are 3 standard doubles/twins, 2 doubles with their own private terraces overlooking the river, 2 superior rooms with hand made Moroccan baths, 2 superior doubles with Jacuzzi baths and a junior suite with bedroom, bathroom and lounge area with a sofa bed. All rooms have telephone and television.

## *For the bride*

Sharon and Maxine are on hand to pamper the bride. After a relaxing Jacuzzi bath with essential calming oils, they will get to work on your hair, make-up and nails. If your dress should arrive a little crumpled we have a professional in Ronda who will press it to perfection.

Judith – another local girl – is here to discuss and suggest your flowers, bouquet, button holes and table decorations. You won't need any for the ceremony as you will be surrounded by the flowering shrubs in the garden.

## *The service*

At this present moment in time, if you are not a resident in Spain you will have to have a civil ceremony in UK or even Gibraltar (only 1.5 hours drive from Ronda). If you haven't already chosen a minister to conduct your blessing just let us know and we can put you in touch with the necessary officials.

The blessing can be accompanied by your own choice of music or we can arrange for the famous Malaga Minstrels to come and serenade you before and after the ceremony whilst you and your guests enjoy champagne and canapés before returning to the hotel for the reception.

### *The reception*

We have loads of ideas for menus – from 10 euros per head up to 50 euros – catering for 10 people up to 100. We are fully conversant with special diets, gluten free, wheat free, vegan etc. The owner of the hotel, Ian Love, is your chef. Before opening the hotel he had a very successful restaurant on the coast for 13 years – not a bad reference!

Cakes are no problem, whether traditional or something a little more funky. Wedding favours place names and table plans are all supplied. Music is on hand during your reception and a disco or live band for the evening.

Judith's (the flower lady) husband is a professional photographer and video producer and has a number of packages available from 100 euros up to 1000 euros.

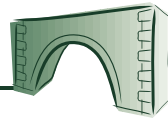

### *What now*

Drop us a line with some suggested dates then come and visit us for a weekend and see what a truly magical place Hotel Molino del Puente is. Have an initial informal chat with us (all the girls and boys who will make your day perfect ) telling us how you envisage your special day. Leave the rest to us – we will be in constant contact with you confirming your choices and arrangements.

*We promise to make your day perfect!*
